

NASA Honor Awards for Ames Research Center: Group Honorees

Date	Group Name	Award Category
1997	Raytheon Corporation	Public Service Group Achievement Award
1997	X-33 Computational Aerothermal Environment Verification Team	Public Service Group Achievement Award
2000	Checkout and Launch Control System Independent Verification and Validation Team	Public Service Group Achievement Award
2000	DMJM Future Flight Central Project Team	Public Service Group Achievement Award
2000	Quantum Services GLOBE Team	Public Service Group Achievement Award
2001	Information Power Grid Group	Public Service Group Achievement Award
2002	PAI Corporation VPP Team	Public Service Group Achievement Award
2003	Moffett Training and Conference Center (MTCC) Team	Public Service Group Achievement Award
2004	ACES Development Group	Group Achievement Award
2004	Altix 512 Team	Group Achievement Award
2004	Carnegie Mellon University Lease Team	Group Achievement Award
2004	DAO Transition Team	Group Achievement Award
2004	Hyperwall	Group Achievement Award
2004	MER Information Technology Infusion Team	Group Achievement Award
2004	NASA/Army/Navy V-22 Tiltrotor Shipboard Operations Research Program	Group Achievement Award
2004	Partnership for the Advancement of Agency Supercomputing	Group Achievement Award
2004	Personal Satellite Assistant, First Generation Team	Group Achievement Award
2004	Second SAGE III Ozone Loss and Validation Experiment (SOLVE II)	Group Achievement Award
2004	Shuttle CAIB Analysis Support Team	Group Achievement Award
2004	Shuttle Landing Facility Simulation Team	Group Achievement Award
2004	Space Technology Center Establishment Team	Group Achievement Award
2004	STS-107	Group Achievement Award
2004	VAST-RT Development Team	Group Achievement Award
2005	Advanced Air Transportation Technologies Project Team	Group Achievement Award
2005	Ames Research Center Human Resources Team	Group Achievement Award
2005	Ames Research Center Return To Flight Space Shuttle Program Support Team	Group Achievement Award
2005	Aviation Data Integration System Technology Development Team	Group Achievement Award
2005	Exploration Technology Directorate Outreach Team	Group Achievement Award
2005	Intercontinental Chemical Transport Experiment-North America Science Team	Group Achievement Award
2005	Joint Ames/Langley Distributed Air/Ground-Traffic Management Simulation Team	Group Achievement Award
2005	Livingstone on Earth Observing-1 Team	Group Achievement Award
2005	Multi-Center Traffic Management Advisor Development and Test Team	Group Achievement Award

NASA Honor Awards for Ames Research Center: Group Honorees

Date	Group Name	Award Category
2005	Project Columbia Team	Group Achievement Award
2005	STS-107 Life Science Payload Team	Group Achievement Award
2005	University Affiliated Research Center Source Evaluation Board Team	Group Achievement Award
2005	X-37 Wing Leading Edge Thermal Protection System Project Team	Group Achievement Award
2006	C-17 Noise Mitigation Flight Research Team	Group Achievement Award
2006	Collaborative Decision Systems Development Team	Group Achievement Award
2006	Exploration Systems Architecture Study (ESAS) Teams	Group Achievement Award
2006	Foton M-2 Team	Public Service Group Achievement Award
2006	FutureFlight Central COURSE Project Staff	Group Achievement Award
2006	Integrated Asset Management (IAM) Compensating Control Team	Group Achievement Award
2006	MARTE Team	Group Achievement Award
2006	ST-5 Evolvable Antenna Development Team	Group Achievement Award
2006	STS-114 Damage Analysis and Assessment Modeling Team	Group Achievement Award
2006	System Level Integrated Concept Development Team	Group Achievement Award
2006	Tropical Cloud Systems and Processes Project Team (TCSP)	Group Achievement Award
2006	Unitary Plan Wind Tunnel Return to Flight Team	Group Achievement Award
2007	Airborne Observation of Stardust Entry	Group Achievement Award
2007	Ames Workforce Realignment Team	Group Achievement Award
2007	Animal Care Facility Extended Use Lease Team	Group Achievement Award
2007	CLV Simulation Assisted Risk Assessment Team	Group Achievement Award
2007	Columbia Data Life-Cycle Systems Team	Group Achievement Award
2007	European Modular Cultivation System (EMCS) Project	Group Achievement Award
2007	FIT Project Team	Group Achievement Award
2007	Heavy Lift Rotorcraft Systems Integration Team	Group Achievement Award
2007	Intercontinental Chemical Transport Experiment	Group Achievement Award
2007	NASA African Monsoon Multidisciplinary Activities	Group Achievement Award
2007	NASA/Army UH-60A Airloads Program Team	Group Achievement Award
2007	Orion TPS ADP Phase I Test Team	Group Achievement Award
2007	PRM Technique Development Team	Group Achievement Award
2007	Spaceward Bound 2006 Expedition: Chile	Group Achievement Award
2007	Stardust Thermal Protection System (TPS) Team	Group Achievement Award
2007	TUFROC TPS Team	Group Achievement Award
2008	Ames STS-118 Aerothermal Analysis Team	Group Achievement Award
2008	Ames Unitary RAM Block II Wind Tunnel Test Team	Group Achievement Award
2008	CBTM-02 Animal Enclosure Module Team	Group Achievement Award
2008	Constellation Enabled Mission: NEO	Group Achievement Award
2008	Constellation PRACA Team	Group Achievement Award
2008	ELORET CEV and MSL Team	Public Service Group Achievement Award
2008	Foton M-3 Payload Team	Group Achievement Award
2008	Human-Robot Site Survey Project Team	Group Achievement Award
2008	Joint Flight Demonstration Test (JFDI) Team	Group Achievement Award
2008	Lunar Lander Handling Qualities Simulation Team	Group Achievement Award

NASA Honor Awards for Ames Research Center: Group Honorees

Date	Group Name	Award Category
2008	Mariana Development Team	Group Achievement Award
2008	MSL Heatshield Team	Group Achievement Award
2008	NAS Facilities Engineering Team	Group Achievement Award
2008	NAS Security Team	Group Achievement Award
2008	NASA Ames Disaster Assistance and Rescue Team	Group Achievement Award
2008	NASA Ames Reimbursable Realignment Team	Group Achievement Award
2008	NASA Supercomputing Support Services SEB	Group Achievement Award
2008	Planners Collaborative, Inc.	Public Service Group Achievement Award
2008	SPEGIS Project Team	Group Achievement Award
2008	TOOWiLD Team	Group Achievement Award
2008	Tropical Composition, Cloud and Climate Coupling	Group Achievement Award
2008	UARC Team	Public Service Group Achievement Award
2008	Wildfire Research and Applications Partnership	Group Achievement Award
2009	2008 NASA Astrobiology Roadmap Group	Group Achievement Award
2009	Airspace Ops and Flight Deck Display Research Lab	Group Achievement Award
2009	Animal Care Facility Enhanced Use Lease Team	Group Achievement Award
2009	ARCTAS	Group Achievement Award
2009	CEV Aeroacoustics Testing Team	Group Achievement Award
2009	Common Spacecraft Bus Hover Test Team	Group Achievement Award
2009	Drilling Automation for Mars Exploration	Group Achievement Award
2009	Holter Monitor 2 Project Team	Group Achievement Award
2009	JSC MOD ITA with ARC	Group Achievement Award
2009	LCROSS Project Team	Group Achievement Award
2009	NAS 25th Anniversary Event Team	Group Achievement Award
2009	NAS Application Performance and Productivity Team	Group Achievement Award
2009	NAS Technology Refresh (NTR) Selection Team	Group Achievement Award
2009	NAS Visualization Team	Group Achievement Award
2009	NASA Airborne Infrared Measurements Systems Team	Group Achievement Award
2009	NASA Negotiation Team for the Google EUL	Group Achievement Award
2009	NASA Security Operations Center Project	Group Achievement Award
2009	NASA Southern Ocean Gas Exchange Experiment Team	Group Achievement Award
2009	NOVICE Team	Group Achievement Award
2009	Phoenix Science Interface Team	Group Achievement Award
2009	Rotorcraft Stability VMS Simulation Team	Group Achievement Award
2009	SMART Rotor Test Team	Group Achievement Award
2009	The Very Closely Spaced Parallel Runway Team	Group Achievement Award
2009	Yuri's Night Bay Area 2008	Group Achievement Award
2010	Advanced Aircraft Hardware Development Team	Group Achievement Award
2010	Ames Environmental Sustainability Report 2009	Group Achievement Award
2010	Ames Facility Study Team	Group Achievement Award
2010	Ames HSPD-12 Team	Group Achievement Award
2010	Ames Negotiation Team for UA Lease	Group Achievement Award
2010	CASIE Team	Group Achievement Award

NASA Honor Awards for Ames Research Center: Group Honorees

Date	Group Name	Award Category
2010	CEV Orion Launch Abort Motor Test Measurement Team	Group Achievement Award
2010	CEV TPS Advanced Development Project	Group Achievement Award
2010	ESMD HEC Prioritization Team	Group Achievement Award
2010	Human Vibration Team	Group Achievement Award
2010	International Space University Project Team	Group Achievement Award
2010	Jules Verne Team	Group Achievement Award
2010	Kepler Launch and Commissioning Team	Group Achievement Award
2010	Kepler Science Office	Group Achievement Award
2010	Kepler Science Operations Center	Group Achievement Award
2010	Kepler Science Team	Group Achievement Award
2010	LAX North Airfield Safety Study Simulation Team	Group Achievement Award
2010	LCROSS Science and Payload Team	Group Achievement Award
2010	Lunar Regolith Excavation Challenge	Group Achievement Award
2010	OCAMS Design, Develop, Test, and Eval Team	Group Achievement Award
2010	Orion Reentry Handling Qualities Simulation Team	Group Achievement Award
2010	PharmaSat Team	Group Achievement Award
2010	Pleiades Supercomputer Team	Group Achievement Award
2010	Robotic Recon Experiment Team	Group Achievement Award
2010	Scheduling, Training Admin and Records (STAR) Team	Group Achievement Award
2010	Simulation Assisted Risk Assessment (SARA) Team	Group Achievement Award
2010	Solar Array Constraint Engine (SACE) Team	Group Achievement Award
2010	TPS Model Processing and Fabrication Team	Group Achievement Award
2010	UH-60A Individual Blade Control Project Team	Group Achievement Award
2010	VMS Space Shuttle Visual Database Development Team	Group Achievement Award
2010	XSearch Design, Development, Test and Eval Team	Group Achievement Award
2011	4STAR Development Team	Group Achievement Award
2011	Adaptation and Climate Change Group	Group Achievement Award
2011	Ames Ares CFD Team	Group Achievement Award
2011	Ames ARRA Implementation Team	Group Achievement Award
2011	Ames First-Ever Tweetup Team	Group Achievement Award
2011	Ames STS Flight Operations Program	Group Achievement Award
2011	ARC Code I Data Center Team	Group Achievement Award
2011	ARCLAN Network Engineering and Operations Team	Group Achievement Award
2011	CEV 26-AA Wind Tunnel Test Team	Group Achievement Award
2011	CEV 80-AS Wind Tunnel Test Team	Group Achievement Award
2011	Columbia-to-Pleiades Transition Team	Group Achievement Award
2011	Cost in Excess of Obligation Prevention Team	Group Achievement Award
2011	Dragon Entry System Engineering and Test Team	Group Achievement Award
2011	Emergency Landing Planner (ELP) Team	Group Achievement Award
2011	Forest Carbon Team	Group Achievement Award
2011	Genesis and Rapid Intensification Processes (GRIP)	Group Achievement Award
2011	Global Hawk Pacific Mission (GLOPAC)	Group Achievement Award
2011	Hayabusa Re-entry Airborne Observation Project	Group Achievement Award
2011	Kepler Awareness, Education and Public Outreach Team	Group Achievement Award

NASA Honor Awards for Ames Research Center: Group Honorees

Date	Group Name	Award Category
2011	Kepler Mission Operations Team	Group Achievement Award
2011	Kepler-Pleiades SOC Pipeline Processing Team	Group Achievement Award
2011	LCROSS Mission Operations Systems and Ground Data	Group Achievement Award
2011	LCRTR Maneuver Abort Simulation Team	Group Achievement Award
2011	MICRO-2 Payload Team	Group Achievement Award
2011	Mouse Immunology Payload Team	Group Achievement Award
2011	NAS Conference Support Team	Group Achievement Award
2011	NASA Ames Astrochemistry Laboratory - PAH Database	Group Achievement Award
2011	NASA Ames Video Group	Group Achievement Award
2011	NASA/USAF/CA ANG/129th RQW Permit Team	Group Achievement Award
2011	Nebula Team	Group Achievement Award
2011	O/OREOS Nanosatellite Science and Engineering Group	Group Achievement Award
2011	SOFIA Initial Science Flight Team	Group Achievement Award
2011	Space Tissue Loss (STL) Payload Team	Group Achievement Award
2011	Terminal Area Precision Scheduling System	Group Achievement Award
2011	Terrestrial Observation and Prediction System	Group Achievement Award
2011	TROPI-2 Payload Team	Group Achievement Award
2011	UH-60A Airloads Wind Tunnel Test Team	Group Achievement Award
2011	VMS 30th Anniversary Commemoration Team	Group Achievement Award
2012	AMELIA Wind Tunnel Test Team	Group Achievement Award
2012	Ames Kepler Science Ops Center Ops Team (SOCOPS)	Group Achievement Award
2012	Ames Mission Network Project Team	Group Achievement Award
2012	Ames Railroad Valley (RRV) Experiment 2011 Team	Group Achievement Award
2012	Ames Research Center 20G Centrifuge Operation Team	Group Achievement Award
2012	Ames Research Center I3P Exposition Team	Group Achievement Award
2012	Ames Sonic Boom Team	Group Achievement Award
2012	Ames STS-135 Payloads Team	Group Achievement Award
2012	ARC Building N233 Electrical Renovation Power Down	Group Achievement Award
2012	Boeing 737-800W Aircraft Model Integration Team	Group Achievement Award
2012	Business Applications and Database Consolidation	Group Achievement Award
2012	CAPIO Simulation Team	Group Achievement Award
2012	Cart3D Development Team	Group Achievement Award
2012	Coastal and Ocean Airborne Science Testbed (COAST)	Group Achievement Award
2012	Commercial Crew Development Wind Tunnel Test Team	Group Achievement Award
2012	High End Computing Storage Team	Group Achievement Award
2012	Human Research Program Ultrasound 2 Project Team	Group Achievement Award
2012	HyperRad Modeling and Software Development Team	Group Achievement Award
2012	ICESCAPE	Group Achievement Award
2012	LCRTR Advanced Control Law Development Team	Group Achievement Award
2012	Mid-latitude Airborne Cirrus Properties Experiment	Group Achievement Award
2012	NAS Tours Team	Group Achievement Award
2012	NASA International Internships Program Team	Group Achievement Award
2012	NASA Lunar Science Institute	Group Achievement Award
2012	NASA Security Operations Center (SOC) Team	Group Achievement Award

NASA Honor Awards for Ames Research Center: Group Honorees

Date	Group Name	Award Category
2012	Quantum Futures Technologies Conference Organizing	Group Achievement Award
2012	SOFIA Outreach Team	Group Achievement Award
2012	SOFIA Primary Mirror Repair Team	Group Achievement Award
2012	The NASA/Ames CASI Team	Group Achievement Award
2012	The Score Team	Group Achievement Award
2012	Three-Dimensional Path Arrival Management (3D-PAM)	Group Achievement Award
2012	Ultra-High Bypass Ratio Integration Test Team	Group Achievement Award
2013	2012 Advanced Material Flight Experiment Team	Group Achievement Award
2013	Air Traffic Management Technology Demonstration-1	Group Achievement Award
2013	Ames Human Performance Centrifuge Project Team	Group Achievement Award
2013	ARC Business Applications and Database Team	Group Achievement Award
2013	ARC Electronic Property Pass (ARC-852) Project	Group Achievement Award
2013	ARC IT Security Awareness and Outreach Team	Group Achievement Award
2013	Autonomous Mission Operations Test Team	Group Achievement Award
2013	CHARM Spacecraft Development Team	Group Achievement Award
2013	Commercial Crew Engineering Risk Assessment Team	Group Achievement Award
2013	Controller Alertness and Fatigue Monitoring Study	Group Achievement Award
2013	Earth System Modeling and Supercomputing Course	Group Achievement Award
2013	HIAD NFAC Test Team	Group Achievement Award
2013	High End Computing Capability Level 0 Support Team	Group Achievement Award
2013	ISS Hazard Analysis Software Group	Group Achievement Award
2013	ISS Power Planning and Analysis Tool (PLATO) Team	Group Achievement Award
2013	Launch Ascent and Vehicle Aerodynamics (LAVA) Team	Group Achievement Award
2013	NASA Earth Exchange Development Team	Group Achievement Award
2013	NASA Global Hawk IT Infrastructure Development Team	Group Achievement Award
2013	NASA North Texas Research Station (NTX)	Group Achievement Award
2013	NASA Research Park Integrated Product Team	Group Achievement Award
2013	NFAC 25 Team	Group Achievement Award
2013	OBVA Simulator Development Team	Group Achievement Award
2013	Occupational Safety and Health Applications Upgrade	Group Achievement Award
2013	ORION Capsule Wind Tunnel Test Team	Group Achievement Award
2013	Parallel Data Migration Facility (PDMF) Team	Group Achievement Award
2013	Quantum Computing Space Act Agreement Team	Group Achievement Award
2013	RAVB Project Team	Group Achievement Award
2013	Safety, Environmental and Medical Support Services	Group Achievement Award
2013	SIMOPT Experiment Team	Group Achievement Award
2013	Smart SPHERES Team	Group Achievement Award
2013	SPHERES National Laboratory Operations Team	Group Achievement Award
2013	Surprise Valley UAV Team	Group Achievement Award
2013	TechEdSat Project Team	Group Achievement Award
2013	Tiltrotor Test Rig Development Team	Group Achievement Award
2013	Ultraviolet-Light Emitting Diodes (UV-LED) Team	Group Achievement Award
